Huntsville is the fastest-growing city in Alabama. A 2021 study by SmartAssets, ranks Huntsville as the sixth best city in the country to work in manufacturing. It has two major interstates (I65 and I565) and two major state highways (231 and 431) running through the heart of the city. Huntsville is well-known for its short drive times. The city is investing more than a quarter billion dollars over the next decade to improve and expand the capacity of the existing network.

The Huntsville community is the economic driver for the North Alabama Region.

With a 13-county regional population of 1.1 million people, the economy is strong and growing. Military, space, telecommunications, biotechnology, diversified manufacturing and a variety of emerging specialties provide challenging work in delightful surroundings. The area enjoys a favorable cost of living and quality of life. Mountains, lakes, woodlands and the Tennessee River accommodate numerous recreational activities. A temperate climate enhances the season for outdoor sports, including world-class golf, hiking, biking, and fishing. Major concerts, Broadway and symphony performances, extensive permanent collections and traveling exhibitions contribute to a wonderful way of life.
