DOWNTOWN TUCKER

2204 Idlewood Road, Tucker, GA 30084

REVITALIZATION OF DOWNTOWN TUCKER

Tucker recently acquired land worth \$1.2 million with the goal of transforming it into downtown greenspace and trails. This development is part of the city's Master Plan to revitalize the area, stimulate economic growth, and enhance downtown Tucker. The project will feature a wide range of amenities, including retail shops, restaurants, mixed-use structures, trails, and greenspace for hosting concerts, festivals, and other community events.

In addition, the alleyways behind the existing square will be repurposed into walkways that connect to the trails, creating more retail & community space. The project has been in the works for quite some time, and following in-depth planning and community engagement, the construction contract was awarded and is now well underway.
