PROPERTY OVERVIEW

Located in the heart of Tempe, this newly remodeled Fry's center, which includes a newly constructed Fry's Fuel, boasts a very good mix of both residential and daytime work traffic. With 50,000 students at ASU's main campus just two miles to the north and the dense workforce population of over 240,000 employees within five miles, this dominant valley grocer does strong business out of this location. Traffic counts at the intersection are high with an average of over 60,000 cars traveling north and southbound daily.
