PROPERTY OVERVIEW

Retail spaces available at a revitalized shopping destination in North Lafayette. The addition of tenants like Planet Fitness and O'Reilly Auto Parts' new Lafayette retail store and distribution center offer an opportunity for both local and national users to join a new, healthy Tenant lineup in an active corridor. Several availabilities are positioned to the Northern strip center, and there are multiple opportunities for assembly of the spaces with high visibility off of Pont Des Mouton.

The proximity of this site to the I-49/I-10 interchange and allows the site to function as a healthy thoroughfare for commuters in the surrounding area.
