

Vacant Multi-Story Retail Building for Sale

40-44 82nd Street | Elmhurst, NY 11373

Between Roosevelt and Baxter Avenues

THE SUMMARY

40-44 82nd St is a distinctive two-story building in Elmhurst, constructed in 1931, and comprised of three units. Nestled at the crossroads of Corona, Jackson Heights, and Elmhurst, this property stands out due to its total vacancy and the fact that no similar properties have been sold in the area for some time.

The first floor is designed as a retail space, ideal for an owner-user seeking a prime location for their business. Above it, the second floor serves as office space, providing a versatile environment for professional use.

The third floor features a spacious three-bedroom apartment, offering comfortable living quarters. Additionally, the property benefits from convenient access to multiple subway lines, including the 7, R, M, E, and F trains, enhancing its appeal for both commercial and residential purposes.
