### Office Condo

- This well-designed medical office condo offers over 5,882 square feet of functional healthcare space, thoughtfully laid out to support a busy medical practice. The total square footage also includes 731 square feet of common area for the entry and restrooms. The facility includes 13 exam rooms, providing ample capacity for multiple providers and efficient patient flow. The office features two private physician offices along with two additional staff offices supporting administrative work, consultations, and management operations. A spacious 20' x 25' can be used as a treatment room, providing flexibility for procedures, specialty care, or expanded clinical services.

- Patients are welcomed by a large 44' x 16' waiting area, designed to comfortably accommodate high patient volume. The office also includes separate check-in and check-out desks, improving workflow and creating an organized patient experience. Additional amenities include three restrooms, a dedicated laundry room, and a staff break room, ensuring convenience and comfort for both patients and employees. Overall, this property provides an efficient, professional environment ideal for a medical, specialty care, or multi-provider healthcare practice.
- The property is part of a medical office condominium complex consisting of three separate buildings. The subject building contains two medical office condominium units, with the primary office occupying approximately 66% of the building. The two units share 733 square feet of common area, which includes a shared hallway. The previous owner was a dental clinic, and the plumbing was capped in the floor.
